
WE WILL BE IN YOUR NEIGHBORHOOD SOON TO REPLACE YOUR METERS

If your billing Cycle and Route is listed below, we will be working in your neighborhood within the next two weeks. You can find your cycle and route on your most recent utility bill.

Cycle and Routes scheduled for the weeks of October 12, 2020 and October 16, 2020

Cycle 1 Route 9 Cycle 1 Route 11
Cycle 1 Route 14 Cycle 1 Route 19
Cycle 1 Route 20 Cycle 1 Route 21
Cycle 1 Route 42

WHAT TO EXPECT:

- The City of Gardner contractor NexGen will knock on the door to notify you that they are there to exchange the meter.
- Installers will be driving a NexGen vehicle and wearing a City of Gardner/NexGen partnership badge.
- There will be a brief interruption in service.
- You do not have to be present for the meter exchange process but will need to provide access to the meter.
- The installation schedule is subject to change due to weather or unforeseen circumstances.

If you have any questions about the meter exchange, please visit us online at GardnerKansas.gov or call 913-856-7535.
