

RESOLUTION NO. EUB-008

A RESOLUTION ADDING SECTION 13.25.070, RENEWABLE ENERGY/PARALLEL GENERATION SERVICES, TO CHAPTER 13.25 – ELECTRIC RATES OF THE CITY OF GARDNER

WHEREAS, the Electric Utility Board was given the responsibility for planning, development, production, purchase, transmission and distribution of all electricity for the City of Gardner by adoption of Ordinance 2296 on the 17th day of November, 2008 ; and

WHEREAS, the Electric Utility Board adopted Resolution EUB-003, which defines Electric Rates; and

WHEREAS, the Electric Utility Board shall have exclusive jurisdiction, control and policy making responsibility of the electric utility of the City and all its operations and facilities; and

NOW, THEREFORE, BE IT RESOLVED BY THE ELECTRIC UTILITY BOARD OF THE CITY OF GARDNER, KANSAS:

Section 1. That the Electric Utility Board hereby adds Section 13.25.070 of Chapter 13.25 to read as follows:

13.25.070 Renewable Energy Resource Rate

An owner or operator of a qualified electric energy generation unit which is powered by a renewable energy resource as defined by Kansas State Statute K.S. 66-1, 185 (2005) and has an electric generating capacity of not more than ten kilowatts may apply for parallel generation services with Gardner Energy.

If all technical requirements are met, the Application for Interconnection is accepted by Gardner Energy and an Interconnection Agreement is approved by the Electric Utility Board, the Customer-generator shall be allowed to interconnect to Gardner Energy's electric system.

The Customer-generator shall be fairly and equitably compensated for energy supplied to Gardner Energy. Gardner Energy shall measure the Customer-generator produced electricity fed to the grid and provide compensation to the Customer-generator on a monthly basis. Such compensation shall be recalculated and updated on April 1st of each year at the rate of 150% times GE's average cost of energy purchased for the previous five (5) years.

Section 2. This Resolution shall take effect and be in full force from and after its adoption by the Electric Utility Board of the City of Gardner.

ADOPTED by the Electric Utility Board of the City of Gardner, Kansas, on April 1, 2010.
